I am not aware of one offhand, but I will poll staff.

Do you want to see one that is currently effective? Or just any temporary authorization that we have done in the past?

Hi Peter,
We are looking for an example of a Temporary Authorization.
Did you do a temporary authorization for Kettleman when they wanted to move a fence at their landfill prior to getting full approval for the expansion?

Ed, Phil, Farshad, Mike and Alfred,
Do you have an example of a Temporary Authorization on any of your projects?

Thanks to all of you in advance for your help,
Mike
